

The NATION'S BUSINESS

1923 Index of Articles

*The Year's Story of Business at Home
and Abroad Told by Leaders in
American and Foreign Com-
merce and Industry*

A CONVENIENT reference as to the men and affairs that entered into the march of business events during 1923, this index, with its cross-referenced titles and subtitles, also boldly outlines the issues and problems with which the nation was confronted in its progress forward.

At monthly intervals The NATION'S BUSINESS has caught the currents of our national business life, and their force and direction have been appraised for the reader by men of experience.

This index is offered for the convenience of readers who keep a file of The NATION'S BUSINESS. Comments in evidence of its usefulness and contributing toward its improvement will be welcomed by the Editorial Staff.

The NATION'S BUSINESS is
the official monthly magazine of the
United States Chamber of Commerce
and is published by that organization at
Washington, D. C.
